Aspire One D255

Get fantastic mobile connectivity in just the shade that suits you with the 10.1" Aspire One D255. Available in five striking colors, the design is stylish and ultra-thin. Stay mobile with 8 hours of battery power and get online anywhere you get a cell phone signal via optional 3G. Smart usability and easy "carry-ability" make this netbook ideal for everyday computing on the go.

Get the color that suits you best

You can choose from five colors to fit your style and personality: Aquamarine, Diamond Black, Sandstone Brown, Ruby Red and Seashell White. Get the one that matches your wardrobe best! The Aspire One D255 is a fashionable accessory decorated in attractive shades. Accentuating the elegant appearance are chrome-plated logos and a transparent power button that portrays a floating effect.

Full-day on-the-go power

Go all day on one charge! The Aspire One D255 lets you work, play, and stay in touch longer thanks to its 8-hour battery, plus an Intel® Atom™ processor and LED-backlit display, which consume less power. Charge up once wherever you go using the petite Acer MiniGo AC adapter, which is 34% lighter than typical adapters! Additionally, jet-setters will appreciate the interchangeable AC converters, which are always great for international travel.

Small form, big functionality

The Aspire One D255 is less than 1" thin and about 1 kg, so it's easy to carry wherever work or play takes you. Ultraportable yet fitted with regular-size notebook ergonomics, this netbook features a 93% standard-size keyboard with bigger keys for comfortable typing, and a wide multi-gesture touchpad for mouseless, fingertip navigation and control.

Universal connectivity

Multiple connectivity options keep you in touch with family, friends and colleagues. Enable high-speed sharing of media files or documents using Bluetooth® 3.0+HS, and connect to the Internet via Wi-Fi CERTIFIED™ technology, Fast Ethernet, or optional 3G. And the integrated Acer Crystal Eye webcam and microphone gear you up to engage in face-to-face chats with anyone in any part of the world.

Aspire One D260

Do you want both performance and style on the go? If so, then the stunning 10.1" Aspire One D260 is right for you. Beneath its handsome exterior, this netbook delivers 8 hours¹, 2 of battery-powered connectivity via wireless and optional 3G. Its advanced features and easy "carry-ability" make the Aspire One D260 perfect for go-everywhere daily use.

Stunning 360° design

The Aspire D260 resembles a sophisticated carrying bag that gleams with class wherever it goes. A unique "flake" pattern graces the front cover, palm rest, and rear mirror strip for stunning good looks from all angles, inside and out. Accentuating the elegant appearance are chrome-plated logos and a transparent power button that portrays a floating effect. You can choose from four colors to fit your style and personality: Black Flake, Charcoal Flake, Pink Flake, and Purple Flake.

Full-day on-the-go power

Go all day on one charge! The Aspire D260 lets you work, play, and stay in touch longer thanks to its 8-hour battery, plus an Intel® Atom™ processor and LED-backlit display, which consume less power. Aspire One Happy

Sweet, scented, sharp or fresh, no matter how you like your world, the Aspire One Happy lets you paint it the way you want it.

My color of Joy

Just think of the Ocean or a lavender field. It will immediately make you feel better. This is the power of colour. The Aspire One Happy comes in four delicious colours that fill your life with excitement and joy: Candy Pink, Lavender Purple, Lime Green and Hawaii Blue. Colours that make you think of summer all year round. Colours that make your life shiny. Choose your colour of joy.

Stay Connected

Keep in touch with your social networks, finish your school projects while you're on the bus, check your e-mails or surf the net. With 8 hours of battery power life, integrated Wi-fi connection, you can get online in just few clicks and stay connected all day long. You can also share photos and music in a matter of seconds via Bluetooth®. Need more? Then can chat face-to-face with your friends with the Acer Crystal Eye webcam and built-in microphone.

Fun to Go

Slip the Aspire One Happy in your backpack or handbag and you'll barely notice it's there. It's only 24 mm thick and a featherweight at just about 1kg, yet it features a superb 28 cm (10.1") WSVGA high brightness display with a 16:9 aspect ratio, a comfy keyboard for easy typing and a wide multi-gesture touchpad. The Aspire One Happy is just perfect to colour your world with fun wherever you go.
