

# Netbooks

## Aspire One D255

Get fantastic mobile connectivity in just the shade that suits you with the 10.1" Aspire One D255. Available in five striking colors, the design is stylish and ultra-thin. Stay mobile with 8 hours of battery power and get online anywhere you get a cell phone signal via optional 3G. Smart usability and easy "carry-ability" make this netbook ideal for everyday computing on the go.

### Get the color that suits you best

You can choose from five colors to fit your style and personality: Aquamarine, Diamond Black, Sandstone Brown, Ruby Red and Seashell White. Get the one that matches your wardrobe best! The Aspire One D255 is a fashionable accessory decorated in attractive shades. Accentuating the elegant appearance are chrome-plated logos and a transparent power button that portrays a floating effect.

### Full-day on-the-go power

Go all day on one charge! The Aspire One D255 lets you work, play, and stay in touch longer thanks to its 8-hour battery, plus an Intel® Atom™ processor and LED-backlit display, which consume less power. Charge up once wherever you go using the petite Acer MiniGo AC adapter, which is 34% lighter than typical adapters! Additionally, jet-setters will appreciate the interchangeable AC converters, which are always great for international travel.

### Small form, big functionality

The Aspire One D255 is less than 1" thin and about 1 kg, so it's easy to carry wherever work or play takes you. Ultraportable yet fitted with regular-size notebook ergonomics, this netbook features a 93% standard-size keyboard with bigger keys for comfortable typing, and a wide multi-gesture touchpad for mouseless, fingertip navigation and control.

## Universal connectivity

Multiple connectivity options keep you in touch with family, friends and colleagues. Enable high-speed sharing of media files or documents using Bluetooth® 3.0+HS, and connect to the Internet via Wi-Fi CERTIFIED™ technology, Fast Ethernet, or optional 3G. And the integrated Acer Crystal Eye webcam and microphone gear you up to engage in face-to-face chats with anyone in any part of the world.

## Aspire One D270

A fabulous travel companion, the Aspire One D270 packs great features for fun and work in a compact size!

### Comfortable design, cool colors

The Aspire One D270 netbook may be small, but it still boasts a 93% full-size keyboard for convenient typing, along with a multi-gesture touchpad that makes navigation easy. Choose from the array of cool colors -- Aquamarine, Espresso Black, Burgundy Red or Seashell White -- so you'll get your stuff done, and look good doing it!

### Impressive operation

This netbook features a 10.1" widescreen display and runs on an Intel® Atom™ dual-core processor that provides smooth performance while conserving power. A hard disk drive up to 500 GB stores all your multimedia, and an HDMI® port lets you use this little netbook to watch high-def movies on a big-screen TV!

### Effortless connectivity

The Aspire One D270 provides wired and wireless web surfing, email and social networking status updates anytime. There's also a built-in webcam and microphone for quality face-time with family and friends. What's more, optional 3G1 connectivity expands networking possibilities, and Bluetooth® 4.01 transfers files faster than ever.

### Easy mobility

Weighing less than a 6-pack of soda and smaller than a National Geographic magazine, the Aspire One D270 netbook fits nicely in a backpack or handbag. And, you'll get up to 8 hours<sup>1, 2</sup> of juice with one charge of the Acer MiniGo adapter, so you're free to hit the road!

## Aspire One 722

The 11.6" Aspire One 722 is sensationally designed to deliver amazing HD visual experiences wherever you go. Anytime, anywhere connectivity plus an eco-friendly platform round out this netbook and make it ideal for your highly mobile digital lifestyle.

### Amazing online HD experiences

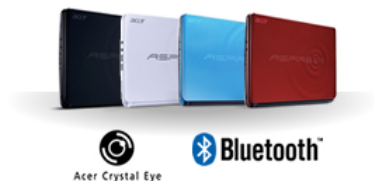

The AMD C-50 processor brings you faster computing and accelerated online HD video. Enjoy smooth-playing Internet clips, movies and more on the HD display, rendered perfectly by ATI Radeon™ HD 6250 graphics. The latest standards are all supported, including Microsoft® DirectX® 11 and 1080p video output via HDMI® for big-screen viewing with family and friends. Plus, a multi-in-1 card reader eases media sharing via Secure Digital™ and MultiMediaCard™ formats.

### Sensational design

Sleek and stylish in Aquamarine, Diamond Black or Burgundy Red, the cover features a smoothly textured wave design with a comforting feel and sensational visual appeal. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and the full-size keyboard and multi-gesture touchpad enable enhanced navigation. At just 1" thin and 1.35 kg, the Aspire One 722 is supremely mobile, and the slim Acer MiniGo adapter is 40% lighter than before as well.

### Keep in touch

The Acer Crystal Eye webcam enhances Skype™, MSN Online Messenger and other applications for worldwide face-to-face chatting. Acer Video Conference Manager improves video quality and real-time sharing of photos, documents and more. Wi-Fi® and Fast Ethernet deliver reliable connectivity wherever there's a hotspot or home network, and Bluetooth® 3.0+HS quickly transfers data between multiple devices without cables or wires so you can share your life freely.

## Eco-friendly platform

The Aspire One 722 is a friend of the earth, proudly in compliance with important green directives: ENERGY STAR® 5.0 -- a Certified Energy Efficient Product conserves energy and fights climate change; WEEE -- Waste Electrical and Electronic Equipment for reuse and recycling; RoHS -- Restriction of Hazardous Substances reduces e-waste and sustains a greener planet; Mercury Free -- the display and entire platform are mercury-free, reducing hazardous substance production.
