

Notebooks

Aspire

The Aspire Series offers a diverse range of notebooks that give you the performance, graphics and communication tools to step up your digital entertainment, complete your daily computing tasks, and stay in touch with everyone you know, whether you're at home or away.

Powerful PC performance

With the abundance of graphics-intensive multimedia and sharing applications available these days, smooth multitasking is more vital than ever before. Keeping this in mind, Aspire Series notebooks pack today's best processors and memory options so your system always runs efficiently. This series also provides ample storage for all the multimedia files you may wish to keep.

Fantastic graphics and playback

High-resolution displays in a variety of sizes present intense imagery from first-rate graphics options. Movies, Internet video, pictures and more shine brilliantly on Aspire Series notebooks, and HDMI® connectivity extends the spectacle to larger displays. A Blu-ray Disc™ drive¹ plays the latest blockbusters with true-to-master precision, and Dolby®-optimized surround sound¹ trumpets studio-quality acoustics.

The latest communication tools

Surf the Internet and stay in touch with your people with reliable, high-speed connectivity via Ethernet, Wi-Fi® or 3G¹. Engage in video chats using the Aspire's quality webcam. In addition, Bluetooth® enables quick, short-range wireless sharing, and the latest interfaces connect to external devices for fast data transfers.

Attractive Aspire appeal

Aspire Series notebooks are attractive, ergonomic and durable. Slim profiles, cool aesthetic accents, and eye-catching colors abound, while easy-access controls ensure effortless handling. A variety of environmentally sustainable materials with inviting textures and sturdy construction endow the Aspire Series with a unique and solid feel.

TravelMate

The Acer TravelMate Series of notebooks features dependable processing power, wide-ranging communication capabilities, and indispensable security solutions to empower mobile professionals like you. Designed to keep your business running while you're on the move, this streamlined notebook boasts corporate-level manageability and convenient handling. An eco-friendly design and energy-conserving features help save cost, as well as the environment.

Proficient performance

The TravelMate Series runs on a quick and energy-efficient processor, while integrated graphics help you make impressive business presentations. ENERGY STAR® compliant, this notebook features energy-smart technologies that reduce power consumption.

Seamless communication

While on the go, receive all your emails and do business transactions with Wi-Fi® connectivity. When in the office, quickly connect to the Internet via wired LAN. For fast wireless file transfers and sharing, connect to other devices using Bluetooth® technology.

Proactive security

Don't worry about system intrusion and data theft with finger-recognition technology¹. Be at peace knowing that your files and applications can easily be restored with recovery software. Back up your system using an intuitive application. Also, if lost or stolen, your notebook can be tracked via Wi-Fi®¹.

Reliable manageability¹

Some TravelMate models feature vPro™ technology, which increases data safety and your productivity with processor-level security and better application performance. The Acer MediaBay, a cost-effective docking solution, offers a convenient way to extend the capabilities of the notebook. Also, the Acer FineTrack™ pointing device makes onscreen navigation easier.

TravelMate TimelineX

The TravelMate TimelineX Series features 8+ hours of battery life^{1, 2} in a highly mobile design with efficient processing power, wide-ranging communication capabilities, and indispensable security solutions to maximize your potential while on the move. To top it off, these notebooks are hazardous-substance-free and integrate energy-conserving features to help save cost and the environment.

On-the-go productivity

Designed for your on-the-move business needs, the TravelMate TimelineX can handle 8+ hours without needing to be plugged in. A port replicator provides splendid expansion, streamlines cable management, and allows multiple devices to run at the same time.

Designed to travel

A slim and lightweight design makes carrying easier, while enhanced anti-shock technology insulates the hard drive and data from the bumps of daily life. Acer Thermal Comfort technology keeps the processor and notebook casing cooler, so you can use it on your lap comfortably.

Efficient performance, environmentally sound

A quick and power-efficient processor plus impressive graphics will help you make convincing business presentations. What's more, the TravelMate TimelineX Series is free of hazardous substances, and meets EPEAT® Silver, RoHS, WEEE and ENERGY STAR® standards to protect the environment.

Multiple communication options

While on the go, receive all your emails and do business transactions with Wi-Fi® connectivity. For fast wireless file transfers and sharing, connect to other devices using Bluetooth® technology. Face-to-face business conferences are possible anywhere with the built-in webcam.

TravelMate P2

The Acer TravelMate P2 Series puts you ahead of the field with robust productivity, manageability, security and reliability. The clean design is a workplace head-turner, and eco-friendly features are good for the environment.

Smart performance and manageability

Driven by the latest Intel® Core™ processors¹, and graphics from Intel® or NVIDIA®¹, TravelMate P2 Series notebooks are efficient multitaskers. Acer Office Manager deploys security, monitors IT assets, and schedules maintenance -- all in one convenient solution. USB 3.0 power-off charging¹ lets you charge up other mobile devices from your notebook anytime.

Carefree security

Acer ProShield Security Manager keeps your information confidential with multi-level security features including pre-boot authentication, BIOS/HDD password protection, and a built-in fingerprint reader. Intel® Anti-Theft technology, a hardware-based security mechanism, protects your PC if it's lost or stolen. And, Acer backup technologies make it easy to keep your data and system safe.

Productivity-enhancing design

The Acer FineTouch™ keyboard lets you type comfortably. The keyboard is spill-resistant; liquid seeps through without damaging internal components. An oversized multi-gesture touchpad gives you better control and efficient fingertip navigation, while the touchpad buttons are very responsive and operate silently.

Reliable and eco-friendly

Acer notebooks undergo a series of rigorous tests to ensure durable, trustworthy usability. ENERGY STAR® and EPEAT Gold^{1, 2} compliance promises energy efficiency, while RoHS compliance signifies that materials are eco-friendly and that the notebook is easy to disassemble for reuse and recycling.
