## Aspire One 722

The 11.6" Aspire One 722 is sensationally designed to deliver amazing HD visual experiences wherever you go. Anytime, anywhere connectivity plus an eco-friendly platform round out this netbook and make it ideal for your highly mobile digital lifestyle.

### Amazing online HD experiences

The AMD C-50 processor brings you faster computing and accelerated online HD video. Enjoy smooth-playing Internet clips, movies and more on the HD display, rendered perfectly by ATI Radeon™ HD 6250 graphics. The latest standards are all supported, including Microsoft® DirectX® 11 and 1080p video output via HDMI® for big-screen viewing with family and friends. Plus, a multi-in-1 card reader eases media sharing via Secure Digital™ and MultiMediaCard™ formats.

### Sensational design

Sleek and stylish in Aquamarine, Diamond Black or Burgundy Red, the cover features a smoothly textured wave design with a comforting feel and sensational visual appeal. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and the full-size keyboard and multi-gesture touchpad enable enhanced navigation. At just 1" thin and 1.35 kg, the Aspire One 722 is supremely mobile, and the slim Acer MiniGo adapter is 40% lighter than before as well.

### Keep in touch

The Acer Crystal Eye webcam enhances Skype™, MSN Online Messenger and other applications for worldwide face-to-face chatting. Acer Video Conference Manager improves video quality and real-time sharing of photos, documents and more. Wi-Fi® and Fast Ethernet deliver reliable connectivity wherever there's a hotspot or home network, and Bluetooth® 3.0+HS quickly transfers data between multiple devices without cables or wires so you can share your life freely.

## Eco-friendly platform

The Aspire One 722 is a friend of the earth, proudly in compliance with important green directives: ENERGY STAR® 5.0 -- a Certified Energy Efficient Product conserves energy and fights climate change; WEEE -- Waste Electrical and Electronic Equipment for reuse and recycling; RoHS -- Restriction of Hazardous Substances reduces e-waste and sustains a greener planet; Mercury Free -- the display and entire platform are mercury-free, reducing hazardous substance production.

## Aspire One D270

A fabulous travel companion, the Aspire One D270 packs great features for fun and work in a compact size!

### Comfortable design, cool colors

The Aspire One D270 netbook may be small, but it still boasts a 93% full-size keyboard for convenient typing, along with a multi-gesture touchpad that makes navigation easy. Choose from the array of cool colors -- Aquamarine, Espresso Black, Burgundy Red or Seashell White -- so you'll get your stuff done, and look good doing it!

### Impressive operation

This netbook features a 10.1" widescreen display and runs on an Intel® Atom™ dual-core processor that provides smooth performance while conserving power. A hard disk drive up to 500 GB stores all your multimedia, and an HDMI® port lets you use this little netbook to watch high-def movies on a big-screen TV!

### Effortless connectivity

The Aspire One D270 provides wired and wireless web surfing, email and social networking status updates anytime. There's also a built-in webcam and microphone for quality face-time with family and friends. What's more, optional 3G1 connectivity expands networking possibilities, and Bluetooth® 4.01 transfers files faster than ever.

### Easy mobility

Weighing less than a 6-pack of soda and smaller than a National Geographic magazine, the Aspire One D270 netbook fits nicely in a backpack or handbag. And, you'll get up to 8 hours<sup>1, 2</sup> of juice with one charge of the Acer MiniGo adapter, so you're free to hit the road!
