

# Netbooks

## Aspire One D255

Get fantastic mobile connectivity in just the shade that suits you with the 10.1" Aspire One D255. Available in five striking colours, the design is stylish and ultra-thin. Stay mobile with 8 hours of battery power and get online anywhere you get a cell phone signal via optional 3G. Smart usability and easy "carry-ability" make this netbook ideal for everyday computing on the go.

### Get the colour that suits you best

You can choose from five colours to fit your style and personality: Aquamarine, Diamond Black, Sandstone Brown, Ruby Red and Seashell White. Get the one that matches your wardrobe best! The Aspire One D255 is a fashionable accessory decorated in attractive shades. Accentuating the elegant appearance are chrome-plated logos and a transparent power button that portrays a floating effect.

### Full-day on-the-go power

Go all day on one charge! The Aspire One D255 lets you work, play, and stay in touch longer thanks to its 8-hour battery, plus an Intel® Atom™ processor and LED-backlit display, which consume less power. Charge up once wherever you go using the petite Acer MiniGo AC adapter, which is 34% lighter than typical adapters! Additionally, jet-setters will appreciate the interchangeable AC converters, which are always great for international travel.

### Small form, big functionality

The Aspire One D255 is less than 1" thin and about 1 kg, so it's easy to carry wherever work or play takes you. Ultraportable yet fitted with regular-size notebook ergonomics, this netbook features a 93% standard-size keyboard with bigger keys for comfortable typing, and a wide multi-gesture touchpad for mouseless, fingertip navigation and control.

## Universal connectivity

Multiple connectivity options keep you in touch with family, friends and colleagues. Enable high-speed sharing of media files or documents using Bluetooth® 3.0+HS, and connect to the Internet via Wi-Fi CERTIFIED™ technology, Fast Ethernet, or optional 3G. And the integrated Acer Crystal Eye webcam and microphone gear you up to engage in face-to-face chats with anyone in any part of the world.

## Aspire One Happy

Sweet, scented, sharp or fresh, no matter how you like your world, the Aspire One Happy lets you paint it the way you want it.

### My colour of Joy

Just think of the Ocean or a lavender field. It will immediately make you feel better. This is the power of colour. The Aspire One Happy comes in four delicious colours that fill your life with excitement and joy: Candy Pink, Lavender Purple, Lime Green and Hawaii Blue. Colours that make you think of summer all year round. Colours that make your life shiny. Choose your colour of joy.

### Stay Connected

Keep in touch with your social networks, finish your school projects while you're on the bus, check your e-mails or surf the net. With 8 hours of battery power life, integrated Wi-fi connection, you can get online in just few clicks and stay connected all day long. You can also share photos and music in a matter of seconds via Bluetooth®. Need more? Then can chat face-to-face with your friends with the Acer Crystal Eye webcam and built-in microphone.

### Fun to Go

Slip the Aspire One Happy in your backpack or handbag and you'll barely notice it's there. It's only 24 mm thick and a featherweight at just about 1kg, yet it features a superb 28 cm (10.1") WSVGA high brightness display with a 16:9 aspect ratio, a comfy keyboard for easy typing and a wide multi-gesture touchpad. The Aspire One Happy is just perfect to colour your world with fun wherever you go.

## Aspire One 533

The 10.1" Aspire One 533 helps you to engage in online activities easier and longer with optional 3G and an amazing 10-hour battery life<sup>1, 2</sup>. What's more, the 1" thin, 1 kg light Aspire One 533 is a pleasure to take on international travels, thanks to the Acer MiniGo adapter, which is extra-small, light, and features interchangeable converters.

### Closer ties anywhere

Break the barriers of time and distance! Interact with friends and family across continents anytime you wish thanks to the Aspire One 533's advanced communication technologies. Go Wi-Fi®, hook up via Fast Ethernet, or take it to the next level with optional 3G. Strengthen important ties with face-to-face chats using the integrated Acer Crystal Eye webcam and microphone. And, easily connect to devices for high-speed file transfers and sharing optional via Bluetooth® 3.0+HS.

### Optimized mobility

A fast, energy-conscious Intel® Atom™ processor and an LED-backlit display enable the Aspire One 533 to deliver up to 10 hours of superb portable performance on battery power. Charging up on the go is convenient with the slim 2-pin 40W Acer MiniGo AC adapter, which is 34% lighter than typical adapters!

### Thin and light heavyweight

Ultra-thin and light at about 1" thin and 1 kg, the Aspire One 533 boasts great portability for users who are frequently on the move. It's easy to bring and store, without compromising regular-size notebook functionality. The 93% standard-size keyboard with bigger keys enables comfortable typing, while a wide multi-gesture touchpad with anti-slip microbead texture provides precise control and mouseless, fingertip convenience.

### Sleek charmer on the go

The sparkling glossy cover complemented by a chrome rim and striking logos will dazzle anyone you meet. Inside, the matte finish precludes fingerprints and scratches, while the chrome accent around the touchpad buttons adds class. Pick from these attention-grabbing, glossy colours: black, red or white.

## Aspire One 522

Ideal for cloud-based content on the go, this 10.1" netbook features amazing technologies for HD multimedia enjoyment, creation and sharing, plus enhanced communication. You can get online anywhere via 3G (optional), and use enhanced face-to-face chatting features -- all for up to 8 hours<sup>1,2</sup> at a time.

### Amazing HD Internet browsing

A new AMD C-Series processor<sup>2</sup> delivers great multitasking with two cores and a GPU that enables amazing acceleration for HD Internet video. An HD display and ATI Radeon™ HD 6250 graphics round out this versatile HD netbook, providing lifelike high-definition video on the go. What's more, the graphics chip supports Microsoft® DirectX® 11 and 1080p HD video output via HDMI® so you can transfer Full HD video to monitors, projectors and TVs.

### Compact form factor in style

This 1" thin-and-light netbook fits perfectly in a backpack or handbag and its 360-degree design gives a boutique look and feel. Ultraportable yet fitted with regular-size notebook ergonomics, it features a 93% standard-size keyboard with bigger keys for comfortable typing, and a wide multi-gesture touchpad for mouseless, fingertip navigation and control. And, the Aspire One 522 is available in various colours to express your personal taste and identity.

### Anywhere connectivity

The integrated Acer Crystal Eye 1.3 MP webcam lets you enjoy clear, lifelike image quality with support for video recording and photo capture. Acer Video Conference Manager, meanwhile, enhances face-to-face communication on instant messaging applications. Enable high-speed sharing of media files or documents using Bluetooth® 3.0+HS, and connect to the Internet just about anywhere with Wi-Fi®, Fast Ethernet or optional 3G.

## Eco-friendly platform

Acer works closely with suppliers and manufacturers to systematically implement eco-friendly production and parts. Full compliance with the RoHS and WEEE directives ensures that responsible measures for recycling and sustainability are undertaken and maintained. The Aspire One 522 is ENERGY STAR® 5.0 compliant, and features an eco-friendly panel, mainboard and battery pack with reduced PVC, BFR and mercury.

## Aspire One Education

The ultimate everyday learning companion, the 10.1" Acer Aspire® One Education Netbook lets students connect anytime, anywhere with classmates and teachers. Our Education Netbook provides teachers with advanced classroom management tools that support their instructional efforts. And our Education Netbook delivers the durability and long life that administrators appreciate. The Acer Aspire® One Education Netbook: It's the perfect schoolmate.

### Perfect for Students

Enabling and even enhancing learning, the Education Netbook gives students the mobility and information access they need in our digital age. Outfitted with new-generation wireless, Intel® Atom™ processing and Microsoft® Office Starter 2010, the Aspire One Education lets students create and share content and work quickly. Ultralight and ultrathin, each Education Netbook fits easily in a backpack. And students of both genders love the contemporary aquamarine colour of their Education Netbooks.

Acer  
*Classroom*  
Manager

powered by NetSupport

### Perfect for Teachers

Acer Classroom Manager software combines advanced classroom management with new-media learning. A single click launches all students' Education Netbooks, and teachers can open applications and websites for all students simultaneously. Teachers easily share screens and multimedia with their pupils, drag and drop files onto their desktops, and monitor student activity. The Education Netbook has up to 8 hours of battery life, so teachers needn't worry about sharing of limited outlets or having computers shut down in mid-lesson.

### Perfect for Administrators

With a rugged case and anti-slip grip, the Acer Aspire® One Education Netbook has the durability demanded by administrators in the budget-conscious education sector. Top and bottom protective shells offer shock resistance, and the keyboard is spill resistant. Each Education Netbook has a namecard holder and comes with a Kensington lock slot. Plus, each Education Netbook boasts a 3-year limited warranty, so administrators can have peace of mind knowing their school's investment is protected for an extended period.

## Perfect for the Earth

The eco-friendly Education Netbook has an Energy Star 5.0 rating, and its energy-savvy platform can save the equivalent of 235 trees annually per 500 students. Each Education Netbook is WEEE and RoHS compliant, and each is 100% mercury free.

## Aspire One Happy 2

The 10.1" 2nd generation Aspire One Happy adds fun and flavour to your life on the go! Spread happiness by expanding your social network and keeping in touch at all times. Stay mobile the whole day with 8 hours<sup>1, 2</sup> of battery power. Get online via Wi-Fi<sup>®</sup> anywhere there's a hotspot. And choose from four tropical colours to best show off your delicious personality!

### Express your passion

The 2nd generation Aspire One Happy is a splash of tropical fun in four fruity colours: Banana Cream, Blueberry Shake, Papaya Milk, and Strawberry Yogurt. The textured liquid-droplet design of the cover will remind you of your favourite cool drink, while the colour-matched power button, multi-gesture touchpad, and tropical wireless mouse (optional) complement your taste!

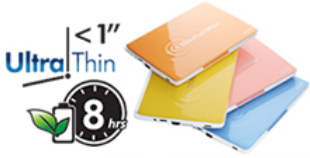

### Ultimate connector

The 2nd generation Aspire One Happy offers wired and wireless connectivity so you can share life with family and friends, surf the net, view photos and videos, and do serious research for school or work as you please. And, if you want to see and be seen, the Acer Crystal Eye webcam and microphone prepare you for quality face-to-face chats.

### Eco-friendly performance

The sights are always stunning on the 10.1" widescreen display, with energy-saving LED technology. An energy-efficient Intel<sup>®</sup> Atom<sup>™</sup> processor uses less power to deliver smooth performance for longer battery life, and you can download and keep all the music, photos and videos you want on the large hard disk drive. What's more, the 2nd generation Aspire One Happy is designed with sustainability in mind -- it's mercury-free and complies with ENERGY STAR<sup>®</sup>, WEEE and RoHS.

## Travel all you want!

Just one charge of the petite Acer MiniGo AC adapter will give you up to 8 hours of juice for updating your Facebook status, sharing funny video clips, or staying entertained with the latest music hits. For added travel convenience, the 2nd generation Aspire One Happy is available with interchangeable AC converters. This mini infotainment companion slips easily into your backpack or handbag -- it's just 1" (2.4 cm)<sup>2</sup> thin and about 1 kg (2.65 lbs.)<sup>2</sup>, yet has a comfy 93% full-size keyboard with big keys for easy typing and a wide multi-gesture touchpad for fingertip navigation.

## Aspire One D257

The 10.1" Aspire One D257 is the ultimate, ultra-portable infotainment companion bringing you efficient performance, sensational style and convenient connectivity anywhere you go.

### Efficient performance

The bright, energy-saving 10.1" LED-backlit display consumes less power and saves energy, while the low-power Intel® Atom™ processor offers speedier clock rates for daily multitasking like email, web surfing, chatting, watching videos and more. You can smoothly access multiple applications and web browsers without compromising performance, and to top it off, the Aspire One D257 is ENERGY STAR® certified.

### Designed with sensation

The glossy, glittery cover has a textured wave design that delivers a smooth, comforting feel with elegant visual appeal. Available in Aquamarine, Espresso Black, Burgundy Red or Seashell White, you can choose the shade that suits you best. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and a multi-gesture touchpad lets you scroll, pinch, rotate and flip with two fingers for easy navigation of multimedia and web content.

### Perfectly portable

Less than 1" thin and just 1.2 kg, the Aspire One D257 is the size of a small magazine and just as easy to carry. The 93% of full-size keyboard features bigger keys for comfortable typing, and with up to 8 hours<sup>1</sup> of battery life you can go all day on a single charge. You can even charge up on the go with the slim Acer MiniGo AC adapter, which is 40% lighter than typical adapters.

### Well-rounded connectivity

Wi-Fi® and Fast Ethernet hook you up wherever there's a hotspot or home network, while the Acer Crystal Eye webcam brings you face to face with friends and family wherever you go. Acer Video Conference Manager ensures that your chats and real-time sharing of photos, documents and other media are smooth. A multi-in-1 card reader makes media sharing a step easier, and Bluetooth® 3.0+HS moves data between devices in seconds so you can share your life freely.

## Aspire One 722

The 11.6" Aspire One 722 is sensationally designed to deliver amazing HD visual experiences wherever you go. Anytime, anywhere connectivity plus an eco-friendly platform round out this netbook and make it ideal for your highly mobile digital lifestyle.

### Amazing online HD experiences

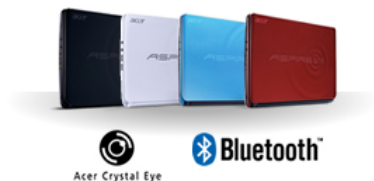

The AMD C-50 processor brings you faster computing and accelerated online HD video. Enjoy smooth-playing Internet clips, movies and more on the HD display, rendered perfectly by ATI Radeon™ HD 6250 graphics. The latest standards are all supported, including Microsoft® DirectX® 11 and 1080p video output via HDMI® for big-screen viewing with family and friends. Plus, a multi-in-1 card reader eases media sharing via Secure Digital™ and MultiMediaCard™ formats.

### Sensational design

Sleek and stylish in Aquamarine, Diamond Black or Burgundy Red, the cover features a smoothly textured wave design with a comforting feel and sensational visual appeal. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and the full-size keyboard and multi-gesture touchpad enable enhanced navigation. At just 1" thin and 1.35 kg, the Aspire One 722 is supremely mobile, and the slim Acer MiniGo adapter is 40% lighter than before as well.

### Keep in touch

The Acer Crystal Eye webcam enhances Skype™, MSN Online Messenger and other applications for worldwide face-to-face chatting. Acer Video Conference Manager improves video quality and real-time sharing of photos, documents and more. Wi-Fi® and Fast Ethernet deliver reliable connectivity wherever there's a hotspot or home network, and Bluetooth® 3.0+HS quickly transfers data between multiple devices without cables or wires so you can share your life freely.

## Eco-friendly platform

The Aspire One 722 is a friend of the earth, proudly in compliance with important green directives: ENERGY STAR® 5.0 -- a Certified Energy Efficient Product conserves energy and fights climate change; WEEE -- Waste Electrical and Electronic Equipment for reuse and recycling; RoHS -- Restriction of Hazardous Substances reduces e-waste and sustains a greener planet; Mercury Free -- the display and entire platform are mercury-free, reducing hazardous substance production.
