Aspire One Happy

Sweet, scented, sharp or fresh, no matter how you like your world, the Aspire One Happy lets you paint it the way you want it.

My color of Joy

Just think of the Ocean or a lavender field. It will immediately make you feel better. This is the power of colour. The Aspire One Happy comes in four delicious colours that fill your life with excitement and joy: Candy Pink, Lavender Purple, Lime Green and Hawaii Blue. Colours that make you think of summer all year round. Colours that make your life shiny. Choose your colour of joy.

Stay Connected

Keep in touch with your social networks, finish your school projects while you're on the bus, check your e-mails or surf the net. With 8 hours of battery power life, integrated Wi-fi connection, you can get online in just few clicks and stay connected all day long. You can also share photos and music in a matter of seconds via Bluetooth®. Need more? Then can chat face-to-face with your friends with the Acer Crystal Eye webcam and built-in microphone.

Fun to Go

Slip the Aspire One Happy in your backpack or handbag and you'll barely notice it's there. It's only 24 mm thick and a featherweight at just about 1kg, yet it features a superb 28 cm (10.1") WSVGA high brightness display with a 16:9 aspect ratio, a comfy keyboard for easy typing and a wide multi-gesture touchpad. The Aspire One Happy is just perfect to colour your world with fun wherever you go.

Aspire One Happy 2

The 10.1" 2nd generation Aspire One Happy adds fun and flavor to your life on the go! Spread happiness by expanding your social network and keeping in touch at all times. Stay mobile the whole day with 8 hours^{1, 2} of battery power. Get online via Wi-Fi[®] anywhere there's a hotspot. And choose from four tropical colors to best show off your delicious personality!

Express your passion

The 2nd generation Aspire One Happy is a splash of tropical fun in four fruity colors: Banana Cream, Blueberry Shake, Papaya Milk, and Strawberry Yogurt. The textured liquid-droplet design of the cover will remind you of your favorite cool drink, while the color-matched power button, multi-gesture touchpad, and tropical wireless mouse (optional) complement your taste!

Eco-friendly performance

The sights are always stunning on the 10.1" widescreen display, with energy-saving LED technology. An energy-efficient Intel[®] Atom™ processor uses less power to deliver smooth performance for longer battery life, and you can download and keep all the music, photos and videos you want on the large hard disk drive. What's more, the 2nd generation Aspire One Happy is designed with sustainability in mind -- it's mercury-free and complies with ENERGY STAR[®], WEEE and RoHS.

Travel all you want!

Just one charge of the petite Acer MiniGo AC adapter will give you up to 8 hours of juice for updating your Facebook status, sharing funny video clips, or staying entertained with the latest music hits. For added travel convenience, the 2nd generation Aspire One Happy is available with interchangeable AC converters. This mini infotainment companion slips easily into your backpack or handbag -- it's just 1" (2.4 cm)² thin and about 1 kg (2.65 lbs.)², yet has a comfy 93% full-size keyboard with big keys for easy typing and a wide multi-gesture touchpad for fingertip navigation.

Ultimate connector

The 2nd generation Aspire One Happy offers wired and wireless connectivity so you can share life with family and friends, surf the net, view photos and videos, and do serious research for school or work as you please. And, if you want to see and be seen, the Acer Crystal Eye webcam and microphone prepare you for quality face-to-face chats.

Aspire One 722

The 11.6" Aspire One 722 is sensationally designed to deliver amazing HD visual experiences wherever you go. Anytime, anywhere connectivity plus an eco-friendly platform round out this netbook and make it ideal for your highly mobile digital lifestyle.

Amazing online HD experiences

The AMD C-50 processor brings you faster computing and accelerated online HD video. Enjoy smooth-playing Internet clips, movies and more on the HD display, rendered perfectly by ATI Radeon™ HD 6250 graphics. The latest standards are all supported, including Microsoft® DirectX® 11 and 1080p video output via HDMI® for big-screen viewing with family and friends. Plus, a multi-in-1 card reader eases media sharing via Secure Digital™ and MultiMediaCard™ formats.

Sensational design

Sleek and stylish in Aquamarine, Diamond Black or Burgundy Red, the cover features a smoothly textured wave design with a comforting feel and sensational visual appeal. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and the full-size keyboard and multi-gesture touchpad enable enhanced navigation. At just 1" thin and 1.35 kg, the Aspire One 722 is supremely mobile, and the slim Acer MiniGo adapter is 40% lighter than before as well.

Keep in touch

The Acer Crystal Eye webcam enhances Skype™, MSN Online Messenger and other applications for worldwide face-to-face chatting. Acer Video Conference Manager improves video quality and real-time sharing of photos, documents and more. Wi-Fi® and Fast Ethernet deliver reliable connectivity wherever there's a hotspot or home network, and Bluetooth® 3.0+HS quickly transfers data between multiple devices without cables or wires so you can share your life freely.

Eco-friendly platform

The Aspire One 722 is a friend of the earth, proudly in compliance with important green directives: ENERGY STAR® 5.0 -- a Certified Energy Efficient Product conserves energy and fights climate change; WEEE -- Waste Electrical and Electronic Equipment for reuse and recycling; RoHS -- Restriction of Hazardous Substances reduces e-waste and sustains a greener planet; Mercury Free -- the display and entire platform are mercury-free, reducing hazardous substance production.
