

# ICONIA

## ICONIA TAB A Series

Lightweight and smaller than a magazine, the ICONIA TAB A Series is very easy to carry. It runs on the tablet-tailored Android™ operating system, and sports a capacitive multi-touch display with smart divisions that open up new possibilities for interaction. Enjoy a whole new touch experience!

### Strikingly powerful

Inside the smooth and handsome chassis is a powerful mobile processor, putting striking power and graphics in your hands, while ample RAM enables fast multitasking. The multi-touch screen and fluid interface make using this tablet a breeze. And use it your way: hold the ICONIA TAB A Series in any direction and it'll auto-rotate to your perspective. What's more, the long-lasting battery will give you several hours of HD video playback and enjoyment.

### Incredibly entertaining

The ICONIA TAB A Series plays engaging HD video and visuals<sup>1</sup> matched with enhanced sound quality, so you're geared up for killer entertainment! Other handy features include the Acer Zones, which keep your game, multimedia, reading, and social content organized; and Acer SocialJogger for managing your social networking accounts from a single page. You'll also get a kick out of the preloaded HD games, and game stores for more downloads. And don't worry about space -- a microSD™ Card slot provides plenty of memory expansion.

### Fully connected

The ICONIA TAB A Series packs Acer clear.fi so you can organize, share and enjoy media across different devices within your home network. You'll also appreciate having two high-performance cameras: one rear-facing and one front-facing for superb picture-taking and video calls. In addition, wireless connectivity plus optional 3G keep you in constant contact.
