

Netbooks

Aspire One D255

Get fantastic mobile connectivity in just the shade that suits you with the 10.1" Aspire One D255. Available in five striking colors, the design is stylish and ultra-thin. Stay mobile with 8 hours of battery power and get online anywhere you get a cell phone signal via optional 3G. Smart usability and easy "carry-ability" make this netbook ideal for everyday computing on the go.

Get the color that suits you best

You can choose from five colors to fit your style and personality: Aquamarine, Diamond Black, Sandstone Brown, Ruby Red and Seashell White. Get the one that matches your wardrobe best! The Aspire One D255 is a fashionable accessory decorated in attractive shades. Accentuating the elegant appearance are chrome-plated logos and a transparent power button that portrays a floating effect.

Full-day on-the-go power

Go all day on one charge! The Aspire One D255 lets you work, play, and stay in touch longer thanks to its 8-hour battery, plus an Intel® Atom™ processor and LED-backlit display, which consume less power. Charge up once wherever you go using the petite Acer MiniGo AC adapter, which is 34% lighter than typical adapters! Additionally, jet-setters will appreciate the interchangeable AC converters, which are always great for international travel.

Small form, big functionality

The Aspire One D255 is less than 1" thin and about 1 kg, so it's easy to carry wherever work or play takes you. Ultraportable yet fitted with regular-size notebook ergonomics, this netbook features a 93% standard-size keyboard with bigger keys for comfortable typing, and a wide multi-gesture touchpad for mouseless, fingertip navigation and control.

Universal connectivity

Multiple connectivity options keep you in touch with family, friends and colleagues. Enable high-speed sharing of media files or documents using Bluetooth® 3.0+HS, and connect to the Internet via Wi-Fi CERTIFIED™ technology, Fast Ethernet, or optional 3G. And the integrated Acer Crystal Eye webcam and microphone gear you up to engage in face-to-face chats with anyone in any part of the world.

Aspire One Happy 2

The 10.1" 2nd generation Aspire One Happy adds fun and flavor to your life on the go! Spread happiness by expanding your social network and keeping in touch at all times. Stay mobile the whole day with 8 hours^{1, 2} of battery power. Get online via Wi-Fi[®] anywhere there's a hotspot. And choose from four tropical colors to best show off your delicious personality!

Express your passion

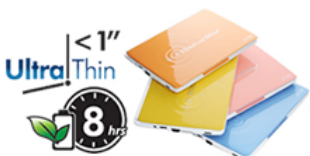

The 2nd generation Aspire One Happy is a splash of tropical fun in four fruity colors: Banana Cream, Blueberry Shake, Papaya Milk, and Strawberry Yogurt. The textured liquid-droplet design of the cover will remind you of your favorite cool drink, while the color-matched power button, multi-gesture touchpad, and tropical wireless mouse (optional) complement your taste!

Eco-friendly performance

The sights are always stunning on the 10.1" widescreen display, with energy-saving LED technology. An energy-efficient Intel[®] Atom™ processor uses less power to deliver smooth performance for longer battery life, and you can download and keep all the music, photos and videos you want on the large hard disk drive. What's more, the 2nd generation Aspire One Happy is designed with sustainability in mind -- it's mercury-free and complies with ENERGY STAR[®], WEEE and RoHS.

Travel all you want!

Just one charge of the petite Acer MiniGo AC adapter will give you up to 8 hours of juice for updating your Facebook status, sharing funny video clips, or staying entertained with the latest music hits. For added travel convenience, the 2nd generation Aspire One Happy is available with interchangeable AC converters. This mini infotainment companion slips easily into your backpack or handbag -- it's just 1" (2.4 cm)² thin and about 1 kg (2.65 lbs.)², yet has a comfy 93% full-size keyboard with big keys for easy typing and a wide multi-gesture touchpad for fingertip navigation.

Ultimate connector

The 2nd generation Aspire One Happy offers wired and wireless connectivity so you can share life with family and friends, surf the net, view photos and videos, and do serious research for school or work as you please. And, if you want to see and be seen, the Acer Crystal Eye webcam and microphone prepare you for quality face-to-face chats.

Aspire One D257

The 10.1" Aspire One D257 is the ultimate, ultra-portable infotainment companion bringing you efficient performance, sensational style and convenient connectivity anywhere you go.

Efficient performance

The bright, energy-saving 10.1" LED-backlit display consumes less power and saves energy, while the low-power Intel® Atom™ processor offers speedier clock rates for daily multitasking like email, web surfing, chatting, watching videos and more. You can smoothly access multiple applications and web browsers without compromising performance, and to top it off, the Aspire One D257 is ENERGY STAR® certified.

Designed with sensation

The glossy, glittery cover has a textured wave design that delivers a smooth, comforting feel with elegant visual appeal. Available in Aquamarine, Espresso Black, Burgundy Red or Seashell White, you can choose the shade that suits you best. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and a multi-gesture touchpad lets you scroll, pinch, rotate and flip with two fingers for easy navigation of multimedia and web content.

Perfectly portable

Less than 1" thin and just 1.2 kg, the Aspire One D257 is the size of a small magazine and just as easy to carry. The 93% of full-size keyboard features bigger keys for comfortable typing, and with up to 8 hours¹ of battery life you can go all day on a single charge. You can even charge up on the go with the slim Acer MiniGo AC adapter, which is 40% lighter than typical adapters.

Well-rounded connectivity

Wi-Fi® and Fast Ethernet hook you up wherever there's a hotspot or home network, while the Acer Crystal Eye webcam brings you face to face with friends and family wherever you go. Acer Video Conference Manager ensures that your chats and real-time sharing of photos, documents and other media are smooth. A multi-in-1 card reader makes media sharing a step easier, and Bluetooth® 3.0+HS moves data between devices in seconds so you can share your life freely.

Aspire One 722

The 11.6" Aspire One 722 is sensationally designed to deliver amazing HD visual experiences wherever you go. Anytime, anywhere connectivity plus an eco-friendly platform round out this netbook and make it ideal for your highly mobile digital lifestyle.

Amazing online HD experiences

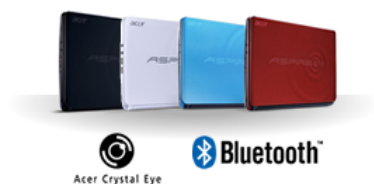

The AMD C-50 processor brings you faster computing and accelerated online HD video. Enjoy smooth-playing Internet clips, movies and more on the HD display, rendered perfectly by ATI Radeon™ HD 6250 graphics. The latest standards are all supported, including Microsoft® DirectX® 11 and 1080p video output via HDMI® for big-screen viewing with family and friends. Plus, a multi-in-1 card reader eases media sharing via Secure Digital™ and MultiMediaCard™ formats.

Sensational design

Sleek and stylish in Aquamarine, Diamond Black or Burgundy Red, the cover features a smoothly textured wave design with a comforting feel and sensational visual appeal. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and the full-size keyboard and multi-gesture touchpad enable enhanced navigation. At just 1" thin and 1.35 kg, the Aspire One 722 is supremely mobile, and the slim Acer MiniGo adapter is 40% lighter than before as well.

Keep in touch

The Acer Crystal Eye webcam enhances Skype™, MSN Online Messenger and other applications for worldwide face-to-face chatting. Acer Video Conference Manager improves video quality and real-time sharing of photos, documents and more. Wi-Fi® and Fast Ethernet deliver reliable connectivity wherever there's a hotspot or home network, and Bluetooth® 3.0+HS quickly transfers data between multiple devices without cables or wires so you can share your life freely.

Eco-friendly platform

The Aspire One 722 is a friend of the earth, proudly in compliance with important green directives: ENERGY STAR® 5.0 -- a Certified Energy Efficient Product conserves energy and fights climate change; WEEE -- Waste Electrical and Electronic Equipment for reuse and recycling; RoHS -- Restriction of Hazardous Substances reduces e-waste and sustains a greener planet; Mercury Free -- the display and entire platform are mercury-free, reducing hazardous substance production.
