

Notebooks

Aspire

The Aspire Series offers a diverse range of notebooks that give you the performance, graphics and communication tools to step up your digital entertainment, complete your daily computing tasks, and stay in touch with everyone you know, whether you're at home or away.

Powerful PC performance

With the abundance of graphics-intensive multimedia and sharing applications available these days, smooth multitasking is more vital than ever before. Keeping this in mind, Aspire Series notebooks pack today's best processors and memory options so your system always runs efficiently. This series also provides ample storage for all the multimedia files you may wish to keep.

Fantastic graphics and playback

High-resolution displays in a variety of sizes present intense imagery from first-rate graphics options. Movies, Internet video, pictures and more shine brilliantly on Aspire Series notebooks, and HDMI® connectivity extends the spectacle to larger displays. A Blu-ray Disc™ drive¹ plays the latest blockbusters with true-to-master precision, and Dolby®-optimized surround sound¹ trumpets studio-quality acoustics.

The latest communication tools

Surf the Internet and stay in touch with your people with reliable, high-speed connectivity via Ethernet, Wi-Fi® or 3G1. Engage in video chats using the Aspire's quality webcam. In addition, Bluetooth® enables quick, short-range wireless sharing, and the latest interfaces connect to external devices for fast data transfers.

Attractive Aspire appeal

Aspire Series notebooks are attractive, ergonomic and durable. Slim profiles, cool aesthetic accents, and eye-catching colors abound, while easy-access controls ensure effortless handling. A variety of environmentally sustainable materials with inviting textures and sturdy construction endow the Aspire Series with a unique and solid feel.

Aspire TimelineX

The Aspire TimelineX Series offers more than just time: it gives you more than 8 hours of excellent performance in a thin-light design, and packs the Intel® Core™ processor family. TimelineX is very portable at less than one inch thick (24 mm)¹, yet available with powerful graphics and an HD widescreen, so no matter where you go, you'll have a crystal-clear view of digital life.

8-hour power and performance

The original Aspire Timeline series was the first to break the 8-hour battery life barrier, and the Aspire TimelineX matches that and adds excellent performance straight out of the box. With Aspire TimelineX, performance and battery life are no longer incompatible.

Start your engines

The Aspire TimelineX Series features the 2010 Intel® Core™ i7, Core™ i5 and Core™ i3 processors, delivering intelligent performance that adapts to your individual needs. With this kind of power, the Aspire TimelineX Series is fabulous for creating digital video, playing intense games, and having fun at home.

More than skin deep

With its slim, less-than-one-inch (24 mm)¹ profile and brushed aluminum cover, an Aspire TimelineX is a beautiful sight -- as well as supremely easy to handle, carry and store, and it's extremely durable. Plus, you get easy-to-use hotkeys, a multi-gesture touchpad and a topside ODD button (14" and 15.6" models) for superior notebook control.

See, hear, share like never before

See TimelineX on the 16:9, high-definition LED-backlit display, and even enjoy it on a larger display via HDMI®. Hear TimelineX through Dolby® Home Theater® v3 or Dolby® Sound Room® 5.1-channel surround sound from the integrated stereo speakers or headphones for enhanced movies, music and games. Share TimelineX through the Acer webcam, 802.11a/b/g/n wireless, 3G WWAN and Mobile WiMAX2 connectivity.

NEW Aspire TimelineX

The new-generation Aspire TimelineX delivers 25% longer battery¹ life for up to 10 hours^{2, 3} of power -- an entire day of multitasking and entertainment -- on a single charge. This ultra-slender notebook is just one-inch thin, yet still packs state-of-the-art performance, an HD webcam and a widescreen for a crisp view of digital life wherever you go!

Extremely power-smart

The 2011 Aspire TimelineX pushes it to the extreme with up to 10 hours^{2, 3} of battery life. Acer's PowerSmart long-life battery retains 80% capacity for more than 1,000 charge cycles, for up to 4 years of use.⁴ A one-touch LED power indicator lights up in different colors, so you can check your notebook's battery capacity with ease. The Aspire TimelineX optimizes performance and battery life to the max.

Extreme performance

The Aspire TimelineX Series features next-generation Intel® Core™ i Series processors and advanced graphics options for performance that adapts to your needs. An enhanced sound system with Dolby® Home Theater® v4 delivers audio with improved dialogue clarity and tone. Super-speed USB 3.0 transfers data up to ten times faster than before. The extreme performance enhances digital video, games and all-round fun at home or on the road.

Extreme convenience

A one-inch profile and the Cobalt Blue aluminum cover make this notebook ultra-slim, strikingly beautiful and very durable. The chiclet keyboard has nice key spacing for accurate typing, while easy-to-use hotkeys and a multi-gesture touchpad enable superior control. Plus, you can recharge devices like a cell phone or portable media player even if your notebook is turned off, thanks to the innovative USB power-off charging feature.

Extreme connectivity

The Aspire TimelineX features advanced communication technologies to keep you well-connected wherever you go. The Acer Crystal Eye HD webcam with 720p high-definition audio/visual recording enables ultra-clear face-to-face chats with family and friends. Today's finest connectivity options include 3G, Bluetooth® 3.0+HS, 802.11b/g/n wireless and Gigabit Ethernet, ensuring strong Internet access while you're on the move.

TravelMate

The Acer TravelMate Series of notebooks features dependable processing power, wide-ranging communication capabilities, and indispensable security solutions to empower mobile professionals like you. Designed to keep your business running while you're on the move, this streamlined notebook boasts corporate-level manageability and convenient handling. An eco-friendly design and energy-conserving features help save cost, as well as the environment.

Proficient performance

The TravelMate Series runs on a quick and energy-efficient processor, while integrated graphics help you make impressive business presentations. ENERGY STAR® compliant, this notebook features energy-smart technologies that reduce power consumption.

Seamless communication

While on the go, receive all your emails and do business transactions with Wi-Fi® connectivity. When in the office, quickly connect to the Internet via wired LAN. For fast wireless file transfers and sharing, connect to other devices using Bluetooth® technology.

Proactive security

Don't worry about system intrusion and data theft with finger-recognition technology¹. Be at peace knowing that your files and applications can easily be restored with recovery software. Back up your system using an intuitive application. Also, if lost or stolen, your notebook can be tracked via Wi-Fi®¹.

Reliable manageability¹

Some TravelMate models feature vPro™ technology, which increases data safety and your productivity with processor-level security and better application performance. The Acer MediaBay, a cost-effective docking solution, offers a convenient way to extend the capabilities of the notebook. Also, the Acer FineTrack™ pointing device makes onscreen navigation easier.

TravelMate TimelineX

The TravelMate TimelineX Series features 8+ hours of battery life^{1, 2} in a highly mobile design with efficient processing power, wide-ranging communication capabilities, and indispensable security solutions to maximize your potential while on the move. To top it off, these notebooks are hazardous-substance-free and integrate energy-conserving features to help save cost and the environment.

On-the-go productivity

Designed for your on-the-move business needs, the TravelMate TimelineX can handle 8+ hours without needing to be plugged in. A port replicator provides splendid expansion, streamlines cable management, and allows multiple devices to run at the same time.

Designed to travel

A slim and lightweight design makes carrying easier, while enhanced anti-shock technology insulates the hard drive and data from the bumps of daily life. Acer Thermal Comfort technology keeps the processor and notebook casing cooler, so you can use it on your lap comfortably.

Efficient performance, environmentally sound

A quick and power-efficient processor plus impressive graphics will help you make convincing business presentations. What's more, the TravelMate TimelineX Series is free of hazardous substances, and meets EPEAT[®] Silver, RoHS, WEEE and ENERGY STAR[®] standards to protect the environment.

Multiple communication options

While on the go, receive all your emails and do business transactions with Wi-Fi[®] connectivity. For fast wireless file transfers and sharing, connect to other devices using Bluetooth[®] technology. Face-to-face business conferences are possible anywhere with the built-in webcam.
