TravelMate

The Acer TravelMate Series of notebooks features dependable processing power, wide-ranging communication capabilities, and indispensable security solutions to empower mobile professionals like you. Designed to keep your business running while you're on the move, this streamlined notebook boasts corporate-level manageability and convenient handling. An eco-friendly design and energy-conserving features help save cost, as well as the environment.

Proficient performance

The TravelMate Series runs on a quick and energy-efficient processor, while integrated graphics help you make impressive business presentations. ENERGY STAR® compliant, this notebook features energy-smart technologies that reduce power consumption.

Seamless communication

While on the go, receive all your emails and do business transactions with Wi-Fi® connectivity. When in the office, quickly connect to the Internet via wired LAN. For fast wireless file transfers and sharing, connect to other devices using Bluetooth® technology.

Proactive security

Don't worry about system intrusion and data theft with finger-recognition technology¹. Be at peace knowing that your files and applications can easily be restored with recovery software. Back up your system using an intuitive application. Also, if lost or stolen, your notebook can be tracked via Wi-Fi®¹.

Reliable manageability¹

Some TravelMate models feature vPro™ technology, which increases data safety and your productivity with processor-level security and better application performance. The Acer MediaBay, a cost-effective docking solution, offers a convenient way to extend the capabilities of the notebook. Also, the Acer FineTrack™ pointing device makes onscreen navigation easier.
