

Netbooks

Aspire One D257

The 10.1" Aspire One D257 is the ultimate, ultra-portable infotainment companion bringing you efficient performance, sensational style and convenient connectivity anywhere you go.

Efficient performance

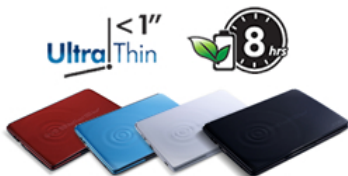

The bright, energy-saving 10.1" LED-backlit display consumes less power and saves energy, while the low-power Intel® Atom™ processor offers speedier clock rates for daily multitasking like email, web surfing, chatting, watching videos and more. You can smoothly access multiple applications and web browsers without compromising performance, and to top it off, the Aspire One D257 is ENERGY STAR® certified.

Designed with sensation

The glossy, glittery cover has a textured wave design that delivers a smooth, comforting feel with elegant visual appeal. Available in Aquamarine, Espresso Black, Burgundy Red or Seashell White, you can choose the shade that suits you best. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and a multi-gesture touchpad lets you scroll, pinch, rotate and flip with two fingers for easy navigation of multimedia and web content.

Perfectly portable

Less than 1" thin and just 1.2 kg, the Aspire One D257 is the size of a small magazine and just as easy to carry. The 93% of full-size keyboard features bigger keys for comfortable typing, and with up to 8 hours¹ of battery life you can go all day on a single charge. You can even charge up on the go with the slim Acer MiniGo AC adapter, which is 40% lighter than typical adapters.

Well-rounded connectivity

Wi-Fi® and Fast Ethernet hook you up wherever there's a hotspot or home network, while the Acer Crystal Eye webcam brings you face to face with friends and family wherever you go. Acer Video Conference Manager ensures that your chats and real-time sharing of photos, documents and other media are smooth. A multi-in-1 card reader makes media sharing a step easier, and Bluetooth® 3.0+HS moves data between devices in seconds so you can share your life freely.

Aspire One D270

A fabulous travel companion, the Aspire One D270 packs great features for fun and work in a compact size!

Comfortable design, cool colors

The Aspire One D270 netbook may be small, but it still boasts a 93% full-size keyboard for convenient typing, along with a multi-gesture touchpad that makes navigation easy. Choose from the array of cool colors -- Aquamarine, Espresso Black, Burgundy Red or Seashell White -- so you'll get your stuff done, and look good doing it!

Impressive operation

This netbook features a 10.1" widescreen display and runs on an Intel® Atom™ dual-core processor that provides smooth performance while conserving power. A hard disk drive up to 500 GB stores all your multimedia, and an HDMI® port lets you use this little netbook to watch high-def movies on a big-screen TV!

Effortless connectivity

The Aspire One D270 provides wired and wireless web surfing, email and social networking status updates anytime. There's also a built-in webcam and microphone for quality face-time with family and friends. What's more, optional 3G1 connectivity expands networking possibilities, and Bluetooth® 4.01 transfers files faster than ever.

Easy mobility

Weighing less than a 6-pack of soda and smaller than a National Geographic magazine, the Aspire One D270 netbook fits nicely in a backpack or handbag. And, you'll get up to 8 hours^{1, 2} of juice with one charge of the Acer MiniGo adapter, so you're free to hit the road!

Aspire One 722

The 11.6" Aspire One 722 is sensationally designed to deliver amazing HD visual experiences wherever you go. Anytime, anywhere connectivity plus an eco-friendly platform round out this netbook and make it ideal for your highly mobile digital lifestyle.

Amazing online HD experiences

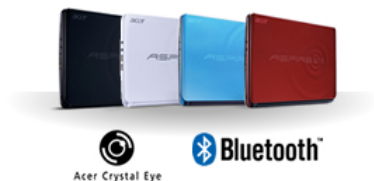

The AMD C-50 processor brings you faster computing and accelerated online HD video. Enjoy smooth-playing Internet clips, movies and more on the HD display, rendered perfectly by ATI Radeon™ HD 6250 graphics. The latest standards are all supported, including Microsoft® DirectX® 11 and 1080p video output via HDMI® for big-screen viewing with family and friends. Plus, a multi-in-1 card reader eases media sharing via Secure Digital™ and MultiMediaCard™ formats.

Sensational design

Sleek and stylish in Aquamarine, Diamond Black or Burgundy Red, the cover features a smoothly textured wave design with a comforting feel and sensational visual appeal. Inside, the soft matte finish on the palm rest area precludes fingerprints and smudges, and the full-size keyboard and multi-gesture touchpad enable enhanced navigation. At just 1" thin and 1.35 kg, the Aspire One 722 is supremely mobile, and the slim Acer MiniGo adapter is 40% lighter than before as well.

Keep in touch

The Acer Crystal Eye webcam enhances Skype™, MSN Online Messenger and other applications for worldwide face-to-face chatting. Acer Video Conference Manager improves video quality and real-time sharing of photos, documents and more. Wi-Fi® and Fast Ethernet deliver reliable connectivity wherever there's a hotspot or home network, and Bluetooth® 3.0+HS quickly transfers data between multiple devices without cables or wires so you can share your life freely.

Eco-friendly platform

The Aspire One 722 is a friend of the earth, proudly in compliance with important green directives: ENERGY STAR® 5.0 -- a Certified Energy Efficient Product conserves energy and fights climate change; WEEE -- Waste Electrical and Electronic Equipment for reuse and recycling; RoHS -- Restriction of Hazardous Substances reduces e-waste and sustains a greener planet; Mercury Free -- the display and entire platform are mercury-free, reducing hazardous substance production.
